

## Worldwide Distribution of Podocarpus

[https://www.conifers.org/po/po/Podocarpus\\_nations.pdf](https://www.conifers.org/po/po/Podocarpus_nations.pdf)

Created 2023.02.09 by C. J. Earle

<b>Species</b>	<b>Region</b>	<b>Nation(s)</b>
<i>P. capuronii</i>	Africa	Madagascar
<i>P. elongatus</i>	Africa	Malawi, South Africa, Zambia, Zimbabwe
<i>P. henkelii</i>	Africa	South Africa, Tanganika
<i>P. humbertii</i>	Africa	Madagascar
<i>P. latifolius</i>	Africa	Angola, Burundi, Cameroon, Congo Republic, Kenya, Malawi, Mozambique, Nigeria, Rwanda, South Africa, South Sudan, Tanzania, Uganda, Zaire, Zambia, Zimbabwe
<i>P. madagascariensis</i>	Africa	Madagascar
<i>P. perrieri</i>	Africa	Madagascar (probably extinct)
<i>P. rostratus</i>	Africa	Madagascar
<i>P. acutifolius</i>	Australia/New Zealand	New Zealand
<i>P. dispersus</i>	Australia/New Zealand	Australia
<i>P. drouynianus</i>	Australia/New Zealand	Australia
<i>P. elatus</i>	Australia/New Zealand	Australia
<i>P. grayae</i>	Australia/New Zealand	Australia
<i>P. laetus</i>	Australia/New Zealand	New Zealand
<i>P. lawrencei</i>	Australia/New Zealand	Australia
<i>P. nivalis</i>	Australia/New Zealand	New Zealand
<i>P. smithii</i>	Australia/New Zealand	Australia
<i>P. spinulosus</i>	Australia/New Zealand	Australia
<i>P. totara</i>	Australia/New Zealand	New Zealand
<i>P. acuminatus</i>	C/S America	Brazil, Venezuela
<i>P. aracensis</i>	C/S America	Brazil, Venezuela
<i>P. brasiliensis</i>	C/S America	Brazil, Venezuela
<i>P. buchholzii</i>	C/S America	Venezuela.
<i>P. celatus</i>	C/S America	Bolivia, Brazil, Colombia, Ecuador, Peru, Venezuela
<i>P. costaricensis</i>	C/S America	Costa Rica
<i>P. glomeratus</i>	C/S America	Bolivia, Ecuador, Peru
<i>P. guatemalensis</i>	C/S America	Belize, Colombia, Costa Rica, Guatemala, Honduras, Mexico, Nicaragua, Panama, possibly also in El Salvador and Venezuela
<i>P. lambertii</i>	C/S America	Argentina, Brazil
<i>P. magnifolius</i>	C/S America	Bolivia, Colombia, Panama, Peru, Venezuela
<i>P. matudae</i>	C/S America	El Salvador, Guatemala, Mexico
<i>P. nubigenus</i>	C/S America	Argentina, Chile Bolivia, Colombia, Costa Rica, Ecuador, El Salvador,
<i>P. oleifolius</i>	C/S America	Guatemala, Honduras, Mexico, Panama, Peru, Venezuela
<i>P. parlatorei</i>	C/S America	Argentina, Bolivia
<i>P. pendulifolius</i>	C/S America	Venezuela.
<i>P. roraimae</i>	C/S America	Venezuela, possibly also in Guyana.
<i>P. rusbyi</i>	C/S America	Bolivia, Peru
<i>P. salicifolius</i>	C/S America	Bolivia, Brazil, Colombia, Peru, Venezuela
<i>P. salignus</i>	C/S America	Chile
<i>P. sellowii</i>	C/S America	Brazil
<i>P. sprucei</i>	C/S America	Ecuador, Peru
<i>P. steyermarkii</i>	C/S America	Venezuela, possibly also in Guyana.

<i>P. tepuiensis</i>	C/S America	Venezuela, possibly also in Guyana.
<i>P. transiens</i>	C/S America	Brazil
<i>P. angustifolius</i>	Caribbean	Cuba
<i>P. aristulatus</i>	Caribbean	Cuba
<i>P. buchii</i>	Caribbean	Dominican Republic, Haiti
<i>P. coriaceus</i>	Caribbean	Dominica; France: Guadeloupe, Martinique; St. Kitts & Nevis; St. Lucia; UK: Montserrat; USA: Puerto Rico; possibly also in Trinidad & Tobago
<i>P. ekmanii</i>	Caribbean	Cuba
<i>P. hispaniolensis</i>	Caribbean	Dominican Republic, Haiti
<i>P. purdieanus</i>	Caribbean	Jamaica
<i>P. trinitensis</i>	Caribbean	Trinidad & Tobago
<i>P. urbanii</i>	Caribbean	Jamaica
<i>P. victorinianus</i>	Caribbean	Cuba
<i>P. brevifolius</i>	East Asia	China, Indonesia, Philippines, Vietnam
<i>P. chingianus</i>	East Asia	China
<i>P. fasciculus</i>	East Asia	Japan, Taiwan
<i>P. hookeri</i>	East Asia	Bangladesh, China, India, Indonesia, Malaysia, Thailand, Vietnam
<i>P. lenticularis</i>	East Asia	India, Laos
<i>P. macrophyllus</i>	East Asia	China, Japan, Taiwan
<i>P. nakaii</i>	East Asia	Taiwan
<i>P. neglectus</i>	East Asia	China, Indonesia, Malaysia, Philippines, Thailand, Vietnam
<i>P. pilgeri</i>	East Asia	Cambodia, China, Indonesia, Laos, Malaysia, Papua New Guinea, Philippines, Thailand, Vietnam
<i>P. subtropicalis</i>	East Asia	China
<i>P. archboldii</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. atjehensis</i>	Indonesia/Malaysia	Indonesia
<i>P. borneensis</i>	Indonesia/Malaysia	Indonesia, Malaysia
<i>P. bracteatus</i>	Indonesia/Malaysia	Indonesia
<i>P. brassii</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. confertus</i>	Indonesia/Malaysia	Malaysia
<i>P. crassigemma</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. deflexus</i>	Indonesia/Malaysia	Indonesia, Malaysia
<i>P. gibbsiae</i>	Indonesia/Malaysia	Malaysia
<i>P. glaucus</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea, Philippines, Solomon Islands
<i>P. globulus</i>	Indonesia/Malaysia	Malaysia, possibly also Indonesia.
<i>P. laminaris</i>	Indonesia/Malaysia	Papua New Guinea
<i>P. laubenfelsii</i>	Indonesia/Malaysia	Indonesia, Malaysia
<i>P. ledermannii</i>	Indonesia/Malaysia	Fiji, Indonesia, Papua New Guinea, Solomon Islands
<i>P. levis</i>	Indonesia/Malaysia	Indonesia
<i>P. marginalis</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. micropedunculatus</i>	Indonesia/Malaysia	Brunei, Indonesia, Malaysia
<i>P. neolinearis</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. neriifolius</i>	Indonesia/Malaysia	Andaman Islands, Brunei, Cambodia, India, Indonesia, Myanmar, Philippines, Thailand, Vietnam
<i>P. novoguineensis</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. oblongus</i>	Indonesia/Malaysia	Indonesia
<i>P. polystachyus</i>	Indonesia/Malaysia	Brunei, Indonesia, Malaysia, Papua New Guinea, Philippines, Singapore, Thailand

<i>P. pseudobracteatus</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. ramosii</i>	Indonesia/Malaysia	Indonesia, Philippines
<i>P. ridleyi</i>	Indonesia/Malaysia	Malaysia
<i>P. rubens</i>	Indonesia/Malaysia	Indonesia, Malaysia, Papua New Guinea, Timor-Leste
<i>P. spathoides</i>	Indonesia/Malaysia	Malaysia
<i>P. teysmannii</i>	Indonesia/Malaysia	Indonesia, Malaysia
<i>P. thevetiifolius</i>	Indonesia/Malaysia	Indonesia, Papua New Guinea
<i>P. decumbens</i>	New Caledonia	New Caledonia
<i>P. gnidioides</i>	New Caledonia	New Caledonia
<i>P. longifoliolatus</i>	New Caledonia	New Caledonia
<i>P. lucienii</i>	New Caledonia	New Caledonia
<i>P. novae-caledoniae</i>	New Caledonia	New Caledonia
<i>P. polyspermus</i>	New Caledonia	New Caledonia
<i>P. sylvestris</i>	New Caledonia	New Caledonia
<i>P. affinis</i>	Pacific	Fiji
<i>P. costalis</i>	Pacific	Philippines, Taiwan
<i>P. decipiens</i>	Pacific	Fiji
<i>P. insularis</i>	Pacific	Papua New Guinea, Solomon Islands, Vanuatu
<i>P. lophatus</i>	Pacific	Philippines
<i>P. macrocarpus</i>	Pacific	Philippines
<i>P. orarius</i>	Pacific	Solomon Islands, Vanuatu
<i>P. palawanensis</i>	Pacific	Philippines
<i>P. pallidus</i>	Pacific	Endemic to Tonga
<i>P. rumphii</i>	Pacific	Philippines, Taiwan
<i>P. salomoniensis</i>	Pacific	Solomon Islands
<i>P. vanuatuensis</i>	Pacific	Vanuatu
